

THE BANK

INTIMATE YET GRAND.

ELEGANT YET FUN.

DELIGHTFULLY UNIQUE!

The 1923 Bank of East Aurora is a gorgeously restored heritage building set in WNY's most charming village. As a wedding venue *and* boutique hotel, we're committed to providing a luxury experience for your wedding day or weekend. If you're searching for a venue to remember, take a look: we're sure you've never seen anything quite like us before!

THE SPACE

The Bank's soaring ceilings and gleaming hardwood floors make a superb backdrop to any wedding style. The space is rich in character and patina, yet carefully designed to let your vision shine. Bright and airy, with a neutral palette - what better showcase for your personality and style?

THE BANK

The main event space can comfortably accommodate 130 guests and a dance floor. The overlooking loft level seats an additional 50.

A fabulous custom bar invites you to celebrate in Gatsby-esque fashion, a nod to The Bank's 1920s origins.

Bookings include:

- chiavari chairs and round dining tables
- ceremony chairs
- display and buffet tables
- professional sound system
- custom lighting scheme to complement your decor
- photo op with our wonderful 1930 Pierce Arrow automobile (weather permitting)
- Guests can take photos and post them to a shared album that displays in real-time on our directory. Afterward you'll have an amazing digital keepsake album that documents your wedding with candid photography. You can also use the directory to display your seating chart.

A professional caterer's kitchen, bridal suite, coat room, five unisex restrooms, ADA restroom, and wheelchair accessibility round out The Bank's top-quality amenities.

DETAILS MATTER

At The Bank, we want you and your guests to be more than impressed - we want you to be captivated! That's why we've filled our venue with design details from the whimsical to the downright glamorous. Just imagine the amazing collection of photos that you'll have to cherish and reminisce over in years to come!

- Take perfect romantic wedding portraits in the massive lobby vault. And *shhhh*: you can make a surprise entrance through the secret door hidden inside.
- Display a slide show or real-time photos on our handsome vintage brass bank directory.
- Capture special 'getting ready' moments in the lovely old Boardroom bridal suite.
- Strike your best gangster pose by a bullet-riddled vault door. Or take a shot at 'cracking' the safe of the loft level vault.
- Secure monetary gifts in the overnight deposit box - you can't get more 'safe' than that!
- The Bank is right in the heart of downtown East Aurora. If there's a time gap between your ceremony and reception, guests can grab a cup of coffee, stroll delightful streets, even do a bit of shopping!

WEEKEND
WEDDING
EXPERIENCE

Want to turn your wedding day into a weekend-long celebration with your nearest and dearest? We've got you covered. Guests have the option to stay overnight at Beneath the Bank, our one-of-a-kind lodging. The overall vibe of this little hideaway is what we like to call Prohibition Chic.

Each room is individually designed, and themed after notorious bank robbers of the era (think John Dillinger, Bonnie & Clyde). Guests can also gather in the cozy speakeasy-inspired common room for a game of shuffleboard. Or in the vault for a late-night toast to the happy couple. Beneath the Bank is the perfect cocktail of carefully sourced vintage pieces and modern luxury!

Speaking of cocktails ... take a step outside the door and you're in the heart of downtown East Aurora, a destination in itself. Bars, restaurants, shops, art galleries - it's all right there. Like The Bank, the village is an original. If you just want to hide away for a while, we have you covered there too, with kitchen and laundry facilities in the Coal room.
